Chapter 1 by SuperFolder Ghostbuster

I am SuperFolder Ghostbuster of the Pretty Brainless Businessmen, and I am on the Job with my comrades XQ3D, Darkdragon, CupcakeKitty, Cow Lantern, Count Zora, and Symbiote. The 7 of us were on the hunt for a powerful crystal of an unknown origin, and if we were to let any one of our enemies, such as one of our dark sides, or one of the MLPs, get a hold of this crystal, it could spell doom for the human race in the multiverse.

We tracked the crystal to what seems to be a planet of Darkdragon's home universe, but this universe was not where it originated. This only makes this mysterious crystal even more dangerous. Seeing as it was in Darkdragon's home universe, we had to go the rest of the way by TARDIS. Our next stop, England in the medieval times, and boy was it a crazy trip. It sure was one I wouldn't forget.
